“ *Molly, our sweet little girl, passed away on Friday, August 12, 2016. She was born on September 10, 2003. We know Molly had a great life, eating snacks, snoozing in her chair, having her belly rubbed, running through the yard and into the house looking for her people. We were always here for her and she was always here for us. It is so lonesome without you. Molly we miss you so much and think about you all the time. You were the one who stole our hearts.*

*We love you,
Daddy, Mother and Lisa*
