“ *Such a good girl.  
My favorite memories of her are when she was told to get her baby before you left, and she went straight to her stuffed animal, picked it up gently, then headed to the car. She was so smart, me just what was wanted of her, and did what she was told.  
Until that day she ran away when you first got Patty! 🙄🙄  
I'll forever miss this girl -- such a great dog.*

“ *My Morgan always had a stuffy in her mouth. She was everyone's Morgan if you met her you instantly became an aunt or uncle. My heart is broken.*
