“ My heart is broken.....  
I had to say goodbye to my Murphy girl today. One of the hardest things I've ever had to do.  
For 15 & 1/2 years she was my 3rd kid.  
She was my beer drinking, Kleenex eating, cotton puff of naughty stuff. ❤️  
My best little buddy, my shadow. She would follow me everywhere. She was little Miss prancy pants, trotting around. Definitely had a mind of her own. Did what she wanted to do, when she wanted to do it and how she wanted to do it. A sassy little biscuit that would hear us calling her, look at us, then turn the other way and run. 🐾  
In her old age, when she couldn't see or hear very well, she still knew when someone had food or beer. That sniffer still worked just fine.  
She was my kitchen floor cleaner and plate licker. Her favorite spot to hang out was the kitchen. Possible food droppings were high potential. 🐾  
Although her name was Murphy Keegan Quinn. She had not one or two nicknames she had about 30 nicknames. The most famous was woogabee stinkerton or just woogie for short. Runner up nickname was little shit head.  
I'm going to miss her always and love her forever. 🐾❤️🐾❤️
