

Nibbles Rosson

Nibbles was more than a duck to this family, he was a best friend to our son and a momma's boy. He loved to be cuddled and to swim in his pond. When it comes to photos he would pose for them. He made us so happy and I pray we did the same for him. He will always be missed and no other duck could ever replace him and his tea kettle sounds he would make when he saw us coming. He truly lit up the room. We love you baby boy.

Nibbles you was my best friend my heart breaks knowing I will never get to love on you again but I'm proud you walk by Jesus, I know he loves you like I do. I can't wait to hold you again love Jw
