*Was such a sweet little guy. I adopted him from a rescue that got him the morning he was to be euthanized from Bham animal control. They picked him up off the streets of Bham trying to fend for himself. He was very scared when we got him but learned we wouldn't hurt him and just loved him. Reesy loved him and they laid together alot. He would go around in circles when he wanted you to pick him up. He is missed but will always be in our hearts. Love you Nicky.*
