“ Nico, Thank you for your service as a MWD for the USMC and for being my son's Patrol partner. When you retired, you were only supposed to stay with us a short time until James came home. Thank God that it worked out for you to stay with me and help me get over the loss of my retired K-9 Faust. You slid right in and helped keep me going just when I needed it. I would have loved to have known you when you were young, but am glad to spend your last year of life together. I never worked with you but will never forget you.
