“ Nikki was a part of our family for his first 4 years. Our daughters loved Nikki and his brother Bo. When we moved Nikki couldn't bear to leave the territory that was home to him. Luckily Our neighbor graciously took him in and cared for him the rest of his days. I believe he was a blessing to his new owner and she to him.

“ Nikki was a street smart, territorial and loving Alpha cat. He was beloved by two families.
In his early years he was part of a loving family who cared for him as a kitten and young adult and taught him his house manners. He would not make the move with his family who asked me to care for him. They continued to love him and stayed in touch with him all his life.
Luckily, he was willing to adopt me and filled a void left by the loss of my precious first cat, Hobbes. This made Nikki very special. Nikki was a wonderful and loving companion.
I miss him!

Thank-you for taking such good care of Nikki. It has been so nice to be able visit with him over the years and for him to be able to live out his life where he wanted to be. I know you will miss him.
