

## Nilla Bean (Bella) Reynolds

November 30, 2024

You were just a baby when I found you, tiny and rambunctious, into everything, always playing. Anywhere I went, you went too. You were there through heartbreaks, loses, good news and bad. You have been by my side for almost 15 years and I'm completely lost without you now. I just wanna hug you, kiss you, tell you how much I love you, just one last time. My heart is broken into pieces right now and I know it'll never be the same but I will remember you always. You loved me from the day I picked you up, you have loved me your whole life and now I'll spend the rest of mine missing you.....
