HL

“ We have some great and funny memories of Oreo! He was lucky to have such a wonderful life with someone who loved him so much and took such good care of him. We will miss him too.

“ This was my best friend for almost nine years. His name was Oreo but I mainly called him Ore. He passed away on July 2nd, 2018. I can tell you he was as good of a friend as well as a perfect dog. He never whined one single time in his life. I will miss him so much and the sadness for him being gone will take some time. What I get comfort from is knowing he enjoyed every single day on this earth to the fullest. He loved life. He was an excellent frisbee catcher and a great swimmer as well as a very firm watchdog. His favorite time was winter camping. He was only sick for 2 days before he died. I love you Oreo.
