Saw Oscar when Sarah and I were feeding him at pet smart parking lot. Then we were able to trap him bring him home after being neutered how he hissed at us even though we were giving him a better life than the way he was living, plenty of food and a warm dry place.

“ I met Oscar as a feral stray as I was feeding him. One day he disappeared and I thought he was gone. Well he had gotten rescued by his mom Sarah and later on I found out by Sarah and I are work colleagues now. I was shocked to find he was alive and well and Sarah taking awesome care of him. Small world.. he was beautiful... RIP sweet Oscar. Sarah and I loved you buddy.. she gave you years of an awesome life..

“ *Oscar was saved from the streets. He was a feral cat. I brought him home after getting him fixed. He meant so much to me. Although he would not let me touch him, I showed him love and comfort. I miss you Oscar, so much!!!!*
