I loved Peaches so much. I can still remember how it felt to pet her. She was always beside me and loved to watch tv lying beside me. One of my favorite pics is the one of Peaches and Muggins and Peaches has her leg on top of Muggins. They were buds. I miss them both so much, but I know Jr. gives them a great home. Miss Peaches and Muggins will always be my kitties and I will always love them. And I will miss them forever and I have missed them for the last 10 years. Karen Dorsett
