“ We loved Our Peanut very much. He was a special boy that really brought us closer together. I know his soul has passed on and he's as happy as he could ever be.  
We love you,  
Erin and Hal

“ Hal and Erin - there will always be a special place in my heart for Peanut - he was and always will be part of our family. I wish had got to spend more time with him. He was so beautiful and so sweet. It's funny - are family is small, but we have more furry 4-legged family members than we do two. That's how much you can love an animal and let it "really" become part of the family. I will always be his "Aunt Doris". It was an honor that you wanted me to be a part of Peanut's passing. I am sorry that there was not anything more anyone could do. But I "know" that Peanut knew how much he was loved - and I know he felt all of our love that night. What can I say - we just have a gift of loving kitties. God Bless Peanut and God Bless you and Erin for being such wonderful and faithful children of God. I hope you know that I am "ALWAYS" here for you and Erin anytime day or night for any reason. Remember we are family and we will take care of each other and God will help all of us through this. I know you and Erin will be there for me one day. I love you both more than you will ever know!!!!
