My heart is still in pieces and it hurts more than you know! I miss and love you so much sweet angel. It helps to know that you are no longer sick and in pain but the emptiness is still there. Mama loves you baby!!

If my tears could build a stairway and all my precious memories with you could build a path. I would walk straight up to heaven and bring you home again. I love and miss you so much sweet angel! Love mama 💕💕

“ Pearl, Larry and I had the splendid opportunity to meet you when we met your sweet mommy. I fell in love with you the second I saw you and you were the love of your mommy's life. You will be missed greatly, but now you've crossed over the rainbow bridge and you will always be her sweet Pearl angel. R.I.P. sweet Pearl.
