“ *Peet was our best friend for almost 14 years. He was beautiful, smart, loving, and funny, all at just the right times. Peet was the great nephew of our very first Border Collie, Buster, who passed in 2005 at the age of 13. We love our canine friends as family, and we will grieve this loss for some time. We greatly appreciate all the kind and compassionate expressions of sympathy for our loss.*
