

Pepper Childs

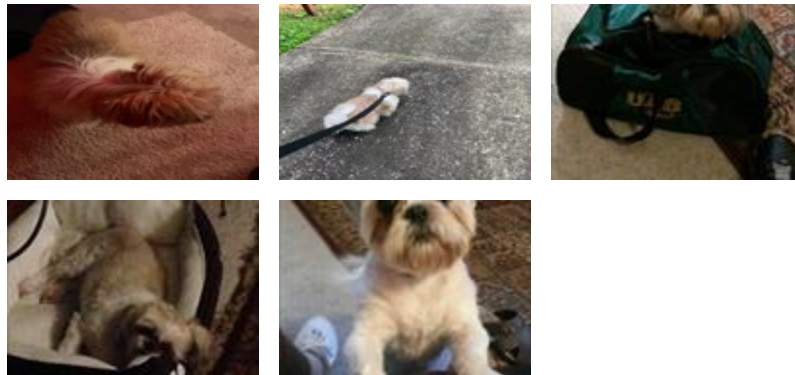

November 11, 2023

For 16 years Pepper Childs aka Pep Pep was a wonderful addition to the family. From the moment he arrived as a ball of fluff till day he became a hard headed old man. He brought joy, stress, hard work but most of all love to the entire family. We loved him endlessly and will remember not just the bad but the good times he gave us. From him doing “the pepper run” to his first bark to even when the whole family was doing MULTIPLE searches for when he decided to go on his adventures away from home. We’re going to miss our little family member but the amount of happiness he gave us will live on forever. We love you Pepper and will miss you.
