

Percy Miller

April 20, 2026

Percy, named after Persephone, was a soup kitchen kitty. She was a rescue. She spent 5 years looking over the lost souls, like herself, in need of saving, at Rose of Sharon Soup Kitchen in Huntsville, AL. She was a chill but feisty little social butterfly. Unlike many black cats, she would cuddle with anyone in need of a hug. She would also take your finger off if she was hiding in her bunker, (aka box). She has left a huge hole in our hearts. Thank you for your service, Percy. Will love you, girl!!!
