May 13, 2021

Our beloved Jack Russel Terrier, Petey, passed away on May 13, 2021 he was wrapped in his favorite blanket surrounded by his family near and miles away.

We had him for 15 years. We got him Feb of our oldest daughter's 6th grade year after you other puppy died. We did not know that Petey was help us through some rough and emotional times. He was a very loving dog. He loved to cuddle under the blankets and sleep.

Petey was very playful. When he was younger he loved to chase a tennis ball through the house. His favorite game was to steal a sock and play tug-of-war with it.

He will be greatly missed here on earth.
