“ We miss you so much Pickles. You were always a bright beam of light for us and everyone we know. You provided your mom and I endless nights of comfort. I can't wait to see you again and I expect you to come stomping up to the pearly gates to welcome us. I love you Pigarella and I miss you so much.

“ Pickles was a beautiful light that made me truly feel that everything was okay in a time where I felt everything wasn't okay & that small moment was so special. She lived an incredible life being loved by the best humans I know. I'm sending all of my love to you both. She's at peace again ❤️
