“ *Precious was our baby for 14 long years. She filled our heart and home with joy and excitement, the house was alive the whole time she was with us. We miss her presence; her four canine siblings do as well. They do not know how to act as she was the boss and she told them what to do. We say every day that we want her back, we can just now talk about the fun times without breaking down, we love you Precious, mommy and daddy...*
