“ *Princess Williams October 1998 - March 2018*

*21 years worth of wonderful memories of her.  
My favorite memories are of her gentle nature  
with everyone she came into contact with.*

*She was not your typical Cat in that she needed more attention than  
most.*

*She was loved by everyone and missed.*

“ *Princess was a special Cat. She lived a good  
long 21 years and was such a sweet timid  
Cat. She was so sweet to everyone that she  
came in contact with.*

*Princess helped me get through a lot of ups  
and downs and always at my side.*

*She will forever be missed.*

*I love you sweet Angel Princess.*

*Princess was as sweet, timid and laid back as a cat could be. The only time I ever saw her stressed out was when she was with me and she got caught up in the under bed lining and couldn't get out. She slept up in there like a hammock and I finally coxed her out the next morning. I was never so happy to get my arms around a cat. She never tried to go under the big bed again! 🌹*
