“ *Pumpkin was one of a kind. She loved car rides and laying on the porch. I adopted her as a senior cat when her owner could no longer care for her. As it turns out, I needed her as much as she needed me. I didn't have as much time with her as I would have liked, but I will always cherish the three years we spent together. The house isn't the same without her. Pumpkin, you were loved and you are missed.*
