

Quackers Oliver

February 27, 2025

Quackers was my first dog and will always be my heart dog. He was my best friend. He was born in November of 2008, so I got to spend over half my life with him. I'm so lucky to have had him for so long. He was the best snuggle buddy. Everyone always loved his sweet ears and sweet little face. I will miss him forever.
