

Red Red McDaniel

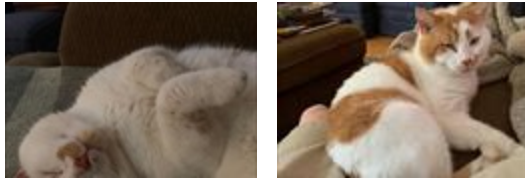

April 16, 2024

"Red was our little boy.. he came to us a little over two years ago as a stray who through time and love and trust became a part of our family and the center our home and our lives.. We will forever love him and miss him.. He was a loving little guy who was independent yet trusting and has taken a permanent place in our hearts.. we will love him and miss him for the rest of our lives.." - Dennis McDaniel
