“ When I 1st found out you had passed away I was shocked. Rocco you were so full of life and you were a dog that brought joy into people's lives. You're the definition of what a loyal dog is. You always stood but mostly laid lol next to the ones you loved the most! I appreciate that you acted as an older mentor for my dog Benito, you kept him in check any time that he got out of hand haha! Anyways you'll be missed and I'm sure you made it to doggy heaven!

“ I will never forget the times we ran around the house chasing after crocs and socks or when you would lie down next to me and snore like at old man or whenever I would hand you food and you would try to bite my fingers. I miss you and you will always have a special place in my heart.

“ Aww Rocco, you were really one of a kind. I’m gonna miss not seeing you around the house anymore. I will never forget your chubby yourself and that day where you, Thalia, your mommy and me went to Cherokee Rock Village. You guys had a great time and you still even took pictures with me. Love you and will miss you a lot pup. ❤️👍

“ Suadero te vamos a extrañar, nos encantaba como te ponías en los pies para protegernos del frío! Tu ladrido de viejito y tu spray al estornudar, tu mordida cuando te dábamos un triticito, y tu cara de ensueña do y cansado de todos los días. Hasta pronto suadero!!

“ *Mi amor you have no idea how much I'm going to miss you! I love how when you wanted something you quickly would come and complain to me lol. You would always let me know what you needed. You and I also made the best lazy couple ☐ we could stay in bed all morning without a care in the world. I know mamá norma would say otherwise but I know I was your favorite. You always loved me best and would let me sing to you while I would rock you in my arms. I'm going to miss you toneladas. Te mando muchos besos sea dónde estés mi papi.*
