

## Rosemary Hogland

February 24, 2017 - September 25, 2024

Rosemary was born on February 24th, 2017. From the day Clint brought her home, we never imagined a day without her. She was the most in charge, loveable little bread truck there ever was.

Whenever she would get sleepy, she couldn't keep her tongue in her mouth. That became her trademark. It also made for fantastic "Tongue Out" Tuesday photos.

She was very vocal and would let you know when she needed attention or more importantly, a treat. She would greet you with barks of love and a butt wiggle that was unlike any other.

She loved her baths (her spa days) and would wait by the bathtub for you. She loved the silly outfits and costumes I would dress her up in - of course she did, it equaled more attention. She wasn't camera shy at all and lit up when having her picture taken.

She was our forever watch dog and had to make sure that there were no chipmunks or other critters infiltrating on her property.

She was preceded in death by her sister, Gwen and brothers, Captain, Deuce and Bas. She leaves behind her sister, Lenora and brothers, Stanley and Eddie - who all miss her dearly.

We never imagined we'd have to say goodbye so soon. She gave us a wonderful 7 and a half years as we did for her. She will never be forgotten and will always have a piece of mine and Clint's hearts with her.

We hope you're enjoying the best beach trip of your life. Until we meet again sweet Rosemary...
