“ Who was Rosie Pierce? Rosie was the most loving dog to me. Rosie loved adventures short or long. Rosie loved car rides especially to Mimi’s and to Starbucks. Rosie didn’t always get along with other animals because she liked to be boss which she was and she would always teach and correct our other dog(Dumplinn) when she was a puppy. Rosie always made me feel safe and will always be my best friend and my favorite. She would always sleep with me even if I had to wait for my sibling to fall asleep to get her. Rosie was always there for me over little things or big things she was the one always there for me. Every time I cried she would lick the tears up and she would make me feel better.
