I will miss Rowdy so much. He was truly a special boy and I know he will live in his 'mother's' heart for always. When I began sitting with Rowdy, Bella and Cassie, he was so distrusting of me. But, with each visit, he began to trust a little more until he would join in the games I played with them.

Rowdy loved his treats and would be the first one to wait for them at each of my visits.

I'm going to miss this handsome little man so much. I know his 'Mama' will. He was such a blessing in her life. And, it has been an honor for me to have been able to know him.

“ Rowdy was a beloved member of our family for 18 years. He was a gentle, sweet natured little boy who was a master at getting along with his sisters, Cassie and Bella, two totally different personalities! He managed them both and they loved him. In his younger days, he was quite an athlete. Excellent with the high jump. His favorite sport however, was kitty soccer. Running at break neck speed, up and down the hall and around the circle, all the while keeping the ball between his two front paws. He was also a master at hiding when new people entered our home. His sitter said that he made her earn his respect which was true for everyone that he met. It was an accomplishment to be proud of when he granted you the privilege of being his friend.

He was dearly loved and is greatly missed ,especially by me, his Cat Mom.
