“ *Roxanne Roxanne oh how I miss your headed self and those ice blue eyes I loved you your whole life. I'll miss you for the rest of mine. We will never forget you, you left your big paw print on our hearts. You taught us so many things without even saying a word. We will meet again in heaven until then we will miss you more than words can say!* ”

“ *Roxi Girl thank you for loving us and all the sweet precious memories we will cherish for the rest of our lives. Your life was cut far too short, we still had too many memories to make, too many treats to share with you, too many sticks left uneaten, and too many squirrels to chase, too many belly rubs, head kisses and head scratches to give. I hope you found Lola and Brutus waiting for you at the Rainbow Bridge. Roxi Girl, we until we meet again xoxo We will never forget you and we will Love you Forever and Always*❤️
