

Roxie Michelle Case

May 24, 2003 - September 27, 2011

Roxie Michelle Case, who was born May 24, 2003, passed away at the age of eight on Tuesday, September 27, 2011. She was found in 2003 by Warren when he was working at Hi Ridge Transport in Birmingham. There was a sweet, little stray who wandered around the yard where the trucks were parked. The mechanics had been kind enough to allow her to stay in the shop at night, where the young dog would find a high place to sleep on the parts shelves. On Warren's last day at the job, he decided that this little dog needed a real home, so he took her with him and gave her the name Roxie. That was Sunday, August 24, 2003. She was a joy to Warren and Marie. Roxie loved to lie upside-down in her favorite chair and to ride in the car, taking a place above the back seats in the rear window sill. Roxie was laid to rest in Alabama Pet Cemetery in Brompton.

"Her death was unexpected, but we had eight wonderful years with her. Roxie, we miss you, we love you and we'll never forget you." Warren and Marie Case
