“ *Roxy was rescued by my daughter when she was just a small pup. The vet was on the way to the shelter to put her and her 5 siblings down because they were believed to be Pitbulls. So my daughter took one and another girl took another but sadly the remaining 4 were euthanized. Roxy had the best 12 years with a family that loved her unconditionally and a baby brother that she raised, Grunt!! She taught him alot and they loved each other dearly. I ended up keeping Roxy from a pup cause my daughter was young then and I didn't want my grandfurbaby going to parties so I kept her and raised and house trained her. She was the sweetest girl and she minded so well. We miss you so much already babygirl but you sleep beside Grunt and I every night and you're always in our hearts and on our minds!! We love you precious angel!!*
