

## Sadie Shae Smith

October 21, 2025

My heart is heavy but my life was blessed beyond measure. Sadie made it 14 years. We walked many a mile together. She was always by my side. Her life gave me a glimpse of what unconditional love truly is. I thank the Lord for allowing me to be her owner. Some may think I'm silly, and that's ok, but I do believe I will see her again. She forever holds a place in my heart and I will deeply miss my girl!
