She was my soul dog. She was my best friend and my baby. She was 15 years old. She's been with me through a lot of tragedy. She was a sick baby but so strong and loving. She held on for years because she knew I needed it. It hurt so bad to set her free but she was in pain and now I know she is with her pawpaw who loved so much. I'm so thankful I was there for her last breath to tell her how much she was loved and what a blessing she was to me and many others. She will never be forgotten
