“ *The day I got Sampson I wanted a black cat Ans he was a ta Ply the oldest kitten . I picked him up held him and he turned over this scared kitten let me rub his belly scratch his face Ans then he licked on my arm . I never let him go . I looked at other kittens but he stayed in my arms . He was the sweetest most loving and silly baby . I am so grateful he picked me ! Brian kept Laughing you saw you coming and knew he wasn't letting you get away from him !! He was my early birthday present that year !!!*
