You came into our life back in the summer of 2014 at only four weeks old, abandoned by your mom for being the runt. You were always such a goofy and loving boy as you grew up. You were grumpy in your older age but still so loving with your meows and purrs. You left us unexpectedly on February 3rd, 2023. You will be forever missed and there will never be another one quite like you. I love you so much. ~Destiny
