

## Sandy Bryant

July 11, 2020

"Sandy was a part of our family for 17 years. She attended all family birthday parties, BBQs, holiday get togethers and so forth. She loved her winter wear and bandanas. She loved to play hind-and-seek which often resulted in eating treats. A ride in the car, just made her day happier. All of the family loved her. Sandy was very intelligent and will truly be missed. My heart is heavy. I know you were tired and did not want to leave us. The look in your eyes told me that you were ready to go to Doggy Heaven. My beautiful Ms. Sandy, we will forever keep you in our hearts.

Love,

The Bryant Family"
