

Scout Avans

January 23, 2026

Our beloved dog, Scout Avans was the best dog ever. His brown eyes will just melt your heart and his loyalty to his family. He lived for 10 years and it's been very hard to missing his presence. As I text this, it's hard not to cry every time. Not to mention, every places in our house, we visually him being there, the paw he lifts to knock on the door, and the daily walks with Scout. We love him so much.
