“ *Rest in Peace my sweet Scout. Guess it is full moon on Friday the 13th... She always had a giant smile on her face and was ready to chase, love on you, catch something, hike, go to the lake, go fishing, or eat something. She was my first "on my own" dog, and I couldn't have had a better one! I will always love and miss you good girl. I know you're up there somewhere chasing squirrels and making spectacular Frisbee catches!* ❤️🐕

She was a blessing and a great first dog! None will replace her but another will fill your heart with love someday soon - for a while... we outlive them. If we don't then we are reuniting with the past ones! She was a great dog and you are a great dog dad!
