“ Ditto to the previous entries! Scout was an exuberant loving hostess and caretaker. One favorite memory is attending the gathering of humans and their pets for Scout's puppy shower. I just happened to be in town and had the honor of participating. Scout knew how to work a room even at that young age; she was so talented:-) Scout created many joys. I will miss her and the the wonderful spirit she brought to each moment. Rest in peace, Scout Harrelson.

“ Ditto to the previous posts! Scout was an exuberant loving hostess:-) One of my favorite memories is the gathering of humans and pets for Scout's puppy shower. Scout could really work a room at a very early age... She was so talented:-) Life was always a party with Scout around. I miss her...

“ I never met Scout, but I know her best friend. I know she made his life much richer. He is a very kind man and I am sure he made her life much richer too. Condolences from Amelia, my labrador retriever, and me.

“ *Scout's face is forever framed in the door to your house to greet me. I will always see her there when I visit.*

“ *Always a joy to walk into your house and be greeted by Scout. I remember when you first got Scout and Karen would bring him to visit Mom and Dad. Dad would be so happy to have that puppy in his lap! In the middle of some very long days, from the beginning, Scout brought joy.*
