My sweet pretty, pittie, princess. There is not enough words or time in the world to express the love and mark you left with us, especially me. My heart and soul had been forever changed by your unconditional love to me. My best friend, my babygirl, my child, my rock, my whole heart, my reason and purpose, my greatest and proudest accomplishment. Babygirl, you made the world a brighter place. I have to succeed for you, and your sister and brother. I know y'all are together again, and I can't wait to reunite with my children. I know you're in a better place, with the best naps, and the loudest doorbells. Forever in my heart, soul, and mind. You were BY FAR BEYOND the BEST thing I ever made.. nothing and no one can fill the void in my heart baby. You changed and loved so many lives for the better. You're job here is done, and you are now at your forever home. Watch over me, baby. I'm a mess without you. I thank the Lord for the time he gave me with you. I can't be mad, I would call you home early too. You were truly heaven sent, and ALL dogs go to heaven babygirl. Keep me on the right path, so I can come home to y'all. Gone to soon, but GAURENTEE I will make sure you are never ever forgotten, my princess. Mommy loves you so much, sisi bean. You are the brightest light then, and now. You were nothing but pure goodness and love. My gentle giant. My fat gurl. I love you. I don't want to end this, I want to go on forever about how great you are. I hope your pure heart lives on through me. I will honor your legacy until I can meet you again, mama. Always remember, I love you!!!!!!
