“ *My sweet Sophie....this marks 6 years since I last held you and said goodbye. Regardless of the time, you are still missed terribly and thought of so often. You were a very special fur baby and no other will ever fill your void. I'm just so thankful that God led you to me when you needed rescued and allowed me to be your new mom. Granny and I both needed you in our lives just as much as you needed us. I feel so blessed and grateful having shared my life with you. Miss you so much still and will forever hold your memory in my heart! Until we meet again, just know how much I will always love you....your Mom.*

“ My sweet Sophie, it has been 5 years ago today that I held you in my arms as you took your last breath. I still miss you so much and think about you often. There has and never will be another one to replace you. You was such a sweet loving pet with your own unique personality. You brought so much joy to Granny and myself. The memories of you will forever live in my heart and mind and you will always be loved and remembered. Rest in peace until we meet again. Love your mom!

“ My sweet Sophie....it's been 4 years ago tonight that I held you in my arms as you took your last breath. It was one the the hardest things I've ever had to do 😞. The only thing that made it easier was knowing that you were no longer suffering. I still have your picture up at home and work and think of you every day! You brought us so much joy and happiness. I will hold you and your memories in my heart forever until the day we meet again! I miss and love you always and forever my sweet Sophie! 🥺

“ My sweet Sophie....oh how I miss you still. 😭

And here at Christmas, it is so lonesome without you.

It's been over 15 months since you passed, and the pain and hurt is still so very deep.

You were loved and are missed more than you could ever know.

You truly was “my best dog ever”. So today on the eve of Christmas, just know your memories still and will forever live in my heart. Rest In Peace and just know I will see you at the Rainbow Bridge. I love and miss you so much sweet Sophie!

“ My sweet Sophie....a year ago today as I held you in my arms and you took your last breath, I had to say goodbye to my “best dog ever.” You have no idea how terribly bad it still hurts and how badly I miss and think of you every day. You brought our family more joy than you can ever imagine. I'm just so honored that God sent you to us. You're forever in my heart and on my mind. Until we meet again, just know I miss and love you so very much, my sweet Sophie. 😭

“ My sweet Sophie....it's been 6 months today that you passed away in my arms. Sometimes it seems like it was just yesterday and other times like an eternity, but the pain of missing you is still very deep and something I deal with daily. Nothing could ever fill the void you left. I miss and love you so much. Your memory will forever be in my heart.

“ My sweet Sophie....its been 10 weeks since I lost you and I still miss you so much every day. But during this season of thanksgiving, despite the pain and hurt, I thank God for blessing me with you and the time we had together. Better to have loved and lost, than never loved at all. Love and miss you forever.

“ Sophie....it's been a week since we lost you and the pain, hurt, and loneliness is still very deep. I miss hearing you get up each morning, walking to your water bowl, and greeting me at the door each evening. What unconditional love! I'll miss you today, tomorrow, and forever.
