"Dear Spikey, I was never ready to let you go. You brought so much happiness into my life. You truly were my baby and my best little buddy. Thank you for all of the love & companionship you showed me. We had the best years together but it seemed to end so fast. You are no longer by my side but forever in my heart. My heart will always wear the paw prints left by you. I am ALWAYS thinking of you my Pikey Lee. I love you & will forever miss you, Love Mommy" - Crystal

“ Spike I met you almost 5 years ago and fell in love with you the first time I saw you! I saw the joy you brought your mom and the happiness you brought to everyone around you, you will be missed buddy, holidays and get togethers won't be the same without the lil guy with a big heart that ran the house.

Crystal- I am praying for you and I hope you find peace and comfort in knowing that you are an amazing doggy mommy and you were absolutely the best mommy for spike! Sending all the love and peace your way!

“ Dear Crystal, my heart breaks for you in this difficult time. Spike was not just your pet, he was your best friend and companion. I know how much he meant to you and how much love you gave him. He will be deeply missed, but his memory will live on forever in the many happy moments you shared together. I am here for you, to support and comfort you in any way I can. Sending you love and strength during this painful loss. Rest in peace, Spike Lee💙.
