

Squeaky Barnes

March 28, 2023

"Squeaky Barnes was the sweetest kitty ever. She was a beautiful grey kitty and we loved her very much. It broke our hearts to lose her, and we tried very hard along with Dr Grantland at McAdory animal clinic to save her. I hope she knew how much we all loved her and miss her everyday. I think about her at bedtime, she liked to sleep with us, along with our pup Bama. Love you sweet girl!" - Joan Barnes
