“ Starbuck was one of a kind and I'll miss her forever. She was my little grad school buddy, and loved sleeping on my legs or under the blanket. She had a personality like no other.

Like Captain Kirk says, "of all the souls I have encountered in my travels, his was the most human." That was Starbuck too. Thanks for rescuing me, Starbuck. See you on the other side.

I loved Starbuck so much. I wish we could visit her. She was a sweet, beautiful cat. Still playing with her she was like a baby. She brought so much love to us.. miss you Starbuck.

Starbuck was a beauty and so curious. I saw her staring out the window every time Laura and I were on the porch talking. I got to care for her and the other felines a few times when Laura was away. Starbuck was definitely an interactive girl. My heart hurts at your loss but I know my Buddy cat greeted her in kitty heaven and he will watch over her.

Awww thank you so much. I sure hope Buddy was showing her around. I bet they are the best of buddies. Pun intended. 😇
