“ *Sugar Princess Boyer was born May 7, 2001 and came to live with our family on September 1, 2001. She came to be our constant companion from camping, cross-country road trips, and late night snuggles between the two of us in our bed. She was a beautiful little soul that was smart, funny and loved the great outdoors. She gave us endless love, support and happiness, and after 16 joyous years, she went over-the-rainbow bridge to her resting place on July 17, 2017. We are forever changed by her presence in our lives and she will live in our hearts always.*
