

## Sunshine Boinski

March 22, 2025

My Sweet Sunshine....

When you died a piece of me died with you.

My heart breaks and I miss you so very much.

You are "My Sweet Sweet" and "My Girlfriend"

I will see you soon....be looking for me at the Rainbow Bridge.

Until then thank you for all the memories...they are all I have now

I Love You To Infinity And Beyond Always And Forever And Ever

Your Daddy....
