

Sunshine Bryan

January 18, 2023

"Sunshine showed up 20 years ago as a tiny, tailless, scared kitten. He was greeted at the door by a HUGE Mastiff. Sunshine moved in and was loved by his family. His primary owner was Janice Carter who preceded him in death. The Mastiff is long gone but Sunshine persevered. When Sunshine died it was like losing a piece of my heart. Hopefully he has reunited with Janice and they are playing somewhere over the Rainbow Bridge. He was the best companion and will be remembered always with love." - Judy Bryan
