

Timbo Rocky Hunter

September 6, 2024

It is with heavy hearts that we announce the passing of our beloved Timbo Rocky Hunter, who left us on Friday, September 6, 2004, at the tender age of 3. Though his time with us was short, Timbo's spirit filled every moment with energy, love, and unforgettable memories. He was a true character—energetic, bougie, wild, and feisty—a fur baby who lived life on his own terms, full of personality and sass.

Timbo was more than just a pet; he was family. He brought joy and laughter to his human family, including his loving mother, Apryl Stringer, and his devoted brother, Cruz Hunter. He also leaves behind aunts Ashley, Amira, and Joell; uncles Alex and Trent; grandparents Alesia, Tony, and Teresa; and cousins Ashton, Jersey, Atlas, and Alani, along with a host of friends who will forever cherish his memory. Timbo is preceded in death by his older brother, Champ Hunter, and we take comfort in knowing they are reunited once again.

A special thank you to Midfield Animal Clinic, especially Dr. Alley and his wonderful staff, for their compassion and support during this incredibly difficult time. Timbo was one of a kind, and his presence will be deeply missed, but his spirit will live on in the hearts of all who knew and loved him. Rest easy, sweet Timbo.
