“ Todd always remember the haircut me and your mom gave you. I have never laughed so hard in my life. It was terrible.... 😂

*My poor baby...
He was so gapped up it's like he knew it too . He was ashamed he look like a worn-out tennis ball*

“ *It's been almost a week since I lost my sweet baby Todd..*

My daughter brought him home as a surprise in 2014 and he greeted me with a high five.

There was never a Time when he wasn't smiling and happy,

he never met a stranger Todd was LOVE..

There wasn't a step I took that he wasn't right behind me.

I find myself coming home waiting for him to greet me at the door and looking for him in every room..

I wouldn't take anything for the time we had together even if it means going through the Heartbreak now..

I can honestly say all I have is precious memories of him..
