“ *She loved water.*

“ *Treasure received her name by being a real treasure to me. She was a shy dog that loved to play fetch, even if she would decide to not let go of the ball when she came back 😊.*

*After 3 days home with me from the humane shelter she started to show a playful personality. She would duck if you tried to pet her, but actually loves it. I believe she may have been traumatized by something previous to becoming my fur baby. She was definitely boy crazy. She loved to be petted by men. I believe she died trying to defend her territory to stray dogs. I was so hurt that I couldn't save her. She may be gone, but never forgotten. My brave and loyal fur baby.*
