

Vandy Dutton

April 25, 2023

"Vandy was more to me then just a cat. He was my fur baby. I could not lay on the couch without him right there. He would greet me at the door when I got home. He would jump up from the floor onto my back when I was looking. He meant the world to me. He left me way too soon. I will always and forever hold him in my heart and will never forget him. RIP Vandy! Momma loves and miss you so much!" - Tina Dutton

“ Well sweet boy it has been a little over 3 years since you took your rainbow bridge walk and I still feel like it was just yesterday! I have a few more little fur babies now but never will there be another you. You were so special to me that I will never find another Vandy. I miss you so much and love you so much. I will miss you until I see you again. By the way your sister is still hanging in there with me and I wish you could have. I will always and forever love you!

“ Hello my sweet boy! I just wanted to let you know I am still missing you so much! I catch myself thinking of you every day. I ended up getting another little boy kitty but he is still nothing like you were. No fur baby will be like you. You were one in a million little boy. Smokie is his name. He is sweet and cute as can be. I know you are watching from the other side of that rainbow bridge. No matter what there will never be another Vandy. You were so special to me! I hope you and Sugar are playing and having fun together. I love you sweet boy! Never forget me because I will never forget you!
